

MICRO COMMUNITY POLICING SUMMARY

NEIGHBORHOOD NAME: HIGH POINT

(Includes High Point Neighborhood)

DEPARTMENT LEAD:

RA Jennifer Burbridge

COMMUNITY PRIORITIES

- Suspicious activity at 35th Ave SW and SW Morgan St
- Property crime (including auto theft, residential burglary and car prowls)
- Issues in the parks (including loitering and vandalism)

PROBLEM SOLVING STRATEGIES

1. Suspicious activity at 35th Ave SW and SW Morgan St
 - a. Patrol officers to log premise checks at that intersection during their shift, as call load allows
 - b. CPT continue working with business owners in the area on preventative measures to reduce criminal activity
 - c. Collaborate with other city agencies (including SDOT, SHA, Metro, etc.) in an effort to curtail criminal activity
 - d. Utilize other SPD resources as needed (including Traffic Unit, Gang Unit, Narcotics Unit, Joint Assessment Team, Major Crime, etc.)
2. Property Crimes (including auto theft, burglary and car prowls)
 - a. SW Precinct purchased professional quality evidence kits for all SW patrol units
 - i. Place an emphasis on looking for and lifting fingerprints
 - b. Develop a weekly report on property crime that is accessible to SW personnel
 - i. Sergeants to review with their squads weekly
 - c. Develop a weekly report that overlays auto theft and recovery hotspots
 - i. This report is available to SW patrol officers via SW Dashboard
 - ii. Used to focus the deployment of the Automated License Plate Reader car for SW patrol and SW assigned Parking Enforcement Officers
 - d. Develop a persistent offender database for auto theft, burglary and car prowls that is accessible in the field
 - i. This database is available to SW patrol officers via SW Dashboard
 - ii. SW Anti-Crime Team and patrol will do periodic arrest operations for SW related suspect
3. Issues in the parks (including loitering and vandalism)
 - a. Officers to log premise checks at parks, as call load allows
 - b. High visibility park emphasis patrolling, as call load allows, which may include:
 - i. Vehicular patrols
 - ii. Bicycle patrols
 - iii. Foot beat patrols

- c. Collaborate with Seattle Parks Department to ensure prompt closing of the parks in the area and address safety issues in the parks by applying crime prevention through environmental design (CPTED) principles to park design and maintenance
- d. Collaborate with homeowners association and Seattle Housing Authority (SHA) to maintain signage in the privately owned parks
- e. Utilize current trespass ordinance for individuals in the parks after hours
